# NIHO ORA KI MANUKAU

## ORAL HEALTH MANUKAU

AUT's new oral health clinic – Niho Ora ki Manukau – offers a range of oral health services for your whānau; all right here in Manukau.

### Our services include:

- Free dental treatment for children and adolescents up until age 18
- Free preventive treatment for hapū (pregnant) māmā
- Periodontal disease (gum disease) prevention and treatment
- Examination and radiographs (x-rays)
- Scaling and polishing of teeth

Niho Ora ki Manukau operates as a teaching clinic. AUT oral health students enrolled in the Bachelor of Health Science (Oral Health) provide oral health care, supervised by experienced and registered oral health practitioners, at a reduced cost.
